Tutoring Experience

For the past three years, I've worked with students from various educational backgrounds, providing support in IB Business Management, A-Level Business Studies, and IGCSE Accounting. My experience has allowed me to develop a tailored approach for each student, ensuring they understand the key concepts and succeed in their coursework.

My work includes guiding students through the intricacies of IB assessments, helping them excel in internal assessments and extended essays. Whether supporting them with exam preparation or coursework, I focus on building their confidence and mastery of the subject to ensure their success.
